

## Cafe Mochachino

### Description

I love coffee and chocolate – and coffee and chocolate are even better together! This is my great finale after a good working day, but also perfect for a dinner party with friends or family.

### Cafe Mochachino or Mochaccino Coffee (English version below)

#### Ingredientes (por taza)

- un cafe espresso.
- 1/2 taza de leche, espumada en la licuadora.
- 1 cucharada de chocolate en polvo.
- Crema batida (opcional).

#### Preparation

1. Preparar un cafe fuerte y agregar el chocolate en polvo en el y revolver muy bien.
2. Viertirla mezcla de cafe en una taza y se cubrir con una generosa capa de espuma de leche.
3. Agregue por encima la crema batida (opcional)
4. Sirva con barquillos de cafe.

### Mochaccino Coffee (English version)

#### Ingredients (per cup)

- 1 espresso.
- 1/2 cup of milk, frothed.
- 1 tbsp of chocolate drink powder.
- Whipped cream (optional).

#### Preparation

1. Prepare your espresso and add the chocolate drink powder to it and stir very well.
2. Pour your coffee mix in your cup and cover it with a generous layer of frothed milk.
3. Top it with whipped cream (optional).

4. Serve with In cafe curls on the side.
