

Cocktail Aperitivo de Primavera

Description

This is my new spring cocktail. I love Dubonnet just as it is but I also like to mix this very popular and spicy drink and transform into spring drink. I used to have one sometimes just before Sunday Lunch or special dinners.

Cocktail Aperitivo de Primavera or Spring Aperitif Cocktail (English version below)

Ingredientes

- 1 medida de Dubonnet
- 2 medidas de jugo de maracuya.
- 1 rodaja de limón
- Cubos de hielo

Preparacion

1. Hacer el jugo de maracuya en la licuadora con 50 gramos de fruta y 50 mililitros de agua y colarlo.
2. Mezclar todos los ingredientes en una jarra o coctelera.
3. Enfriar la copa con el hielo y luego descartarlo.
4. Luego verter, la mezcla en cada copa.
5. Decorar con una cascara de limón y una cereza.

Spring Aperitif Cocktail (English version)
